

Motley Necklace

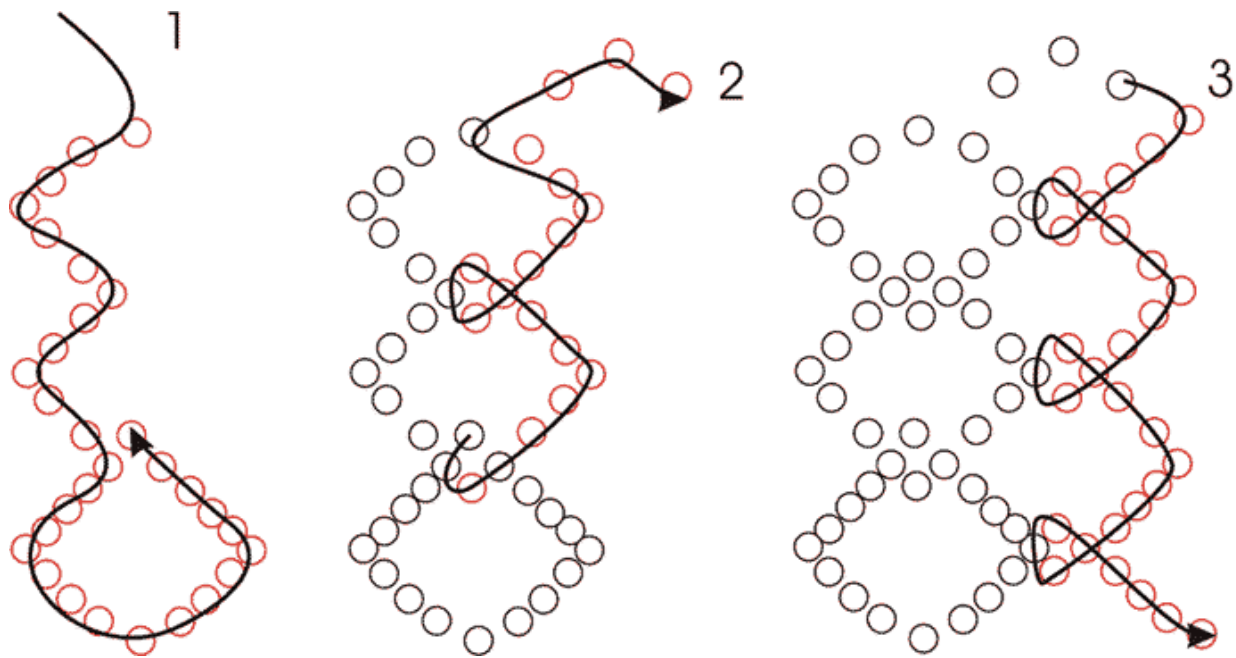

Materials needed:

25g of gold seed beads size 11

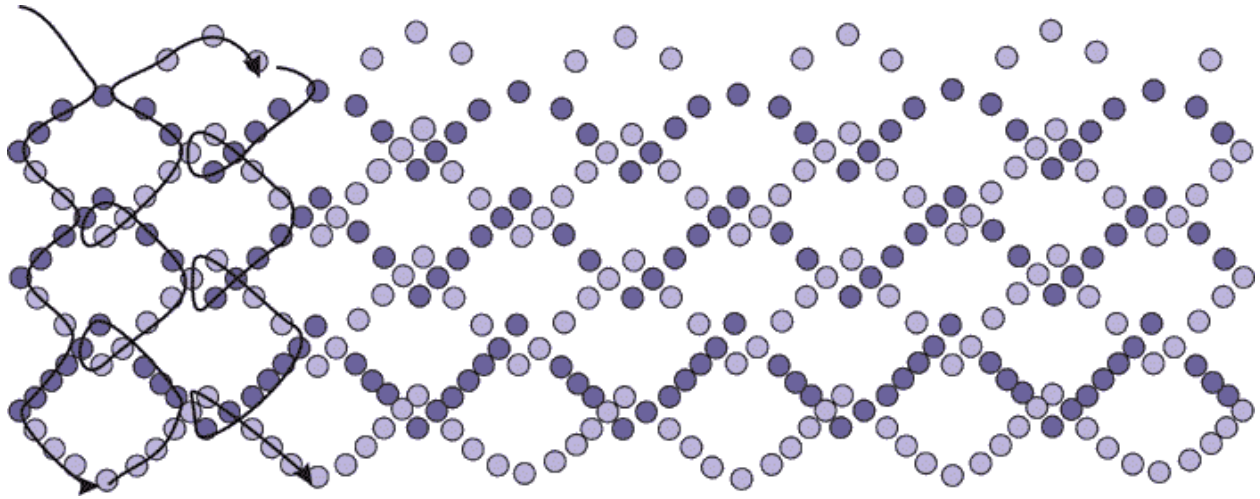

25 g of dark brown seed beads size 11

Estimated time: 6-8 hours.

This necklace is done in the vertical netting stitch. On the first diagram you can see in details how the stitch goes.

You can start beading from any point of the necklace. If you start from the middle of the necklace and leave a thread on the spindle, you can use it later to finish the other half of the necklace. On the next page you will find the diagram for the necklace.
